Dear Mrs McCarthy

### About your Pension Credit

I am writing to tell you that your recent change in circumstances does not affect the amount of Pension Credit we pay you.

This means you will continue to get £93.45 a week.

We have sent you two sheets called **How Pension Credit has been worked out**. One shows your Pension Credit entitlement, and the other shows how your Pension Credit is affected by the yearly change in rates to benefits in April.

From 9 April 2007, your Pension Credit will change to £97.55 a week. This is because there is a change to the money you will have coming in and the amount the law says you will need to live on.

### How to get your money

We will pay your Pension Credit into the account shown below. The money will be in the account requested every week by the day Pension Credit is due.

Bank or Building Society:	Post Office (Tm)
	Post Office card account
Account or reference number:	0080903787

If you want a further explanation of this decision, please see the final page of this letter. It explains what to do if you disagree with this decision.

### What you should do if your circumstances change

If your circumstances change, it may affect the amount of Pension Credit you get. You should read the enclosed leaflet **INF4(PC)**. This will detail the changes you may have to report.

Yours sincerely

Wendy Sutcliffe
